LIFT CHAIR ACCESSORIES

LEG LEVELERS

Non-skid leg levelers keep your lift chair from sliding on a vast array of flooring.

HEAD & LUMBAR PILLOW

Adds additional support and comfort (in the same fabric the chair was ordered in) in the head or lumbar area.

LIFT CHAIR OVERLAY

Provides comfort and relaxation via a silicone soft gel top layer with airflow design, a moisture-wicking four-way stretch cover, and by reducing shear, moisture buildup and heat buildup.

DELUXE HEAT & MASSAGE HEAT & MASSAGE

Deluxe Heat and Massage features four massagers for extra intensity and deep relief to the upper and lower back, and two heat pads – one in the lumbar region and one under the knees. Regular Heat and Massage is also available, offering two massage units and one heat pad.

Deluxe Heat and Massage is available on the Heritage Collection (except the LC-358XL and LC-358XXL), Elegance Collection and Infinity Collection (except the LC-521).

Heat and Massage is available on the Classic Collection (except the LC-215), Heritage Collection, Specialty Collection and Elegance Collection.

FOOTREST EXTENSION

A footrest extension adds approximately 4 inches of extension for the taller individual. It easily closes under the footrest when not in use.

Footrest Extension is available on the Heritage Collection (except the LC-358S, LC-358XL and LC-358XXL), Elegance Collection (except the LC-465 and LC-470S), Infinity Collection (except the LC-521) and Serenity Collection (except the SR-358S).

CLEANING KIT

This kit can be used with any lift chair fabric (excluding vinyl/leather) in order to remove almost any stain or odor.

PROTECTIVE PAD

The pad can hold up to one cup of fluid. Can be hand or machine washed in warm water on the gentle cycle.
